

The Saddleback Valley Unified School District is very proud of the extensive co-curricular programs offered at the comprehensive high schools. Through state funding, the District provides financial support for these programs, which may include stipends for one or more coach/advisor for each program, superb facilities, and general maintenance of the facilities. However, costs exceed limited state allocations, thus necessitating booster club support and requests for contributions from participants.

Participation in the TRABUCO HILLS GIRLS LACROSSE

organization is strictly voluntary, and no student will be denied the opportunity to participate in a SVUSD co-curricular activity because of a parent or guardian's failure to participate in fundraising activities, failure to devote time or resources to the booster club, or failure to purchase uniforms, or other accessories or equipment. Parents or students who do not participate will not be publicly identified.

In an effort to provide a comprehensive program for students at all levels, the

TRABUCO HILLS GIRLS LACROSSE PROGRAM

is requesting additional contributions in the amount of \$12,000 dollars to fulfill our operating budget, which works out to approximately \$300 per student.

If additional funds to augment the program are not raised in the amount noted above, the school may find it necessary to scale back the program. We are strongly encouraging all parents to contribute to the program. Remember, your contributions may be tax deductible. Please consult with your accountant or tax advisor for specifics.

Additionally, parents and students may be asked to participate in fundraising activities throughout the year in an effort to provide even greater financial support for the program. Participation is highly encouraged. However, lack of participation in these fundraising activities by a parent or guardian will not affect their student's ability to participate.
